

Today we live in the time described by eleven verses in Matthew 24. In verses 4-14 Jesus reveals that before His return we will face deceptions, wars, rumors of wars, famines, diseases, natural disasters, persecutions, hatred, betrayal, false teachings, lawlessness, and the love of many will grow cold. Doesn't that sound like a list of news reports we hear today?

We live surrounded by problems, yet what is the solution to these problems in this passage? Jesus said in verse 14, "And this gospel of the kingdom will be preached in all the world as a witness to all the nations, and then the end will come." Jesus told us the gospel provides protection from the fear Satan seeks to create in our hearts. The gospel holds the solution for today's problems. Jesus revealed that if our love grows cold from a lack of understanding the gospel, we are more likely to fall for the deceptions and false teachings Satan offers.

The gospel can be described as what we experience when we believe by faith. Unfortunately, many people have an adapted, unclear definition of faith and what it means to believe. In my book, *You are a Child of the King*, I explain what it means to believe by faith, so you can embrace biblical solutions. I wrote this book to help people build a trusting relationship with Jesus that can endure the difficulties and hardships we will experience before Jesus returns.

Pastor Keith Trumbo uses clear illustrations to help the reader understand the issues of identity, faith, God's calling, spiritual gifting, the power of choice, God's plan for your life, and even God's plan to help you deal with the villain who is determined to steal your faith and joy.

### Jennifer Jill Schwirzer, LPC Author, counselor, musician, speaker

Keith has written a gem of a book. In simple terms, and from the starting point of the good news that every child of God has been given a rich inheritance of salvation, he explains vital biblical concepts such as faith, sin, and grace. He finishes off with a practical seven-day challenge to help reinforce the lessons of the book. The generosity and lovingkindness of God shine through these pages in a fresh yet timeless manner.

## ***Discover the Power of Goodness and Find Your Answers*** by Keith Trumbo

When we believe by faith and then embrace the solutions the Bible offers, we have the opportunity to get real answers to our questions. That is why I wrote my second book, *Discover the Power of Goodness and Find Your Answers*. This book helps people get real answers from Jesus' perspective. We can live with faith instead of fear. If we don't allow Jesus to teach and train us how to let Him answer our questions, we will be vulnerable to allowing our fears to guide us instead of trusting in Him. Satan seeks to use our fears to manipulate us into accepting the clever deceptions he promotes.
